## Printing & Scanning Experience

### Small Format Printing

- Documents, specifications, proposals, safety manuals
- Scaled down construction drawings, site instructions

### Wide Format Printing

- Construction drawings to scale or size to suit customer needs
- Enlarge/reduce sizing calculation for patterns, wood-working
- Bond, vellum and mylar monochrome printing
- Colour printing on a wide range of media
- Snapshot printing (enlargement of specific area on pdf)
- Banner and poster printing

### Small Format Scanning

- Documents, artwork, legal papers
- Confidential banker box scanning

### Wide Format Scanning

- Monochrome and colour scans of construction drawings, marked-up drawings
- Proper handling of archive drawings, artwork
- Map scanning
- Family tree scanning
